A Brief Guide to Writing Argumentative Essays. Features. 1. So, what do you write about? Pick a well-defined, controversial issue. 2. A clear position taken by the writer. In your thesis sentence, state what your position is. You do not need to say: "I believe that we should financially support the space station." Using the first person weakens your argument. Say "Funding for the space station ...

THE FACTS: A good case brief starts with a Facts section, but in order to be "brief," a Facts section should only include the key facts. As a rule of thumb, key facts are those that put the case in a context and shape the case's outcome. How do you know which facts? Read the case carefully, a couple of times. As you examine the facts from a case, ask yourself if the court could have ...
