(PDF) Building Shared Vision: The Third Discipline of

Perspective on leadership: building a shared vision for your school What this unit is about This unit is about developing and implementing a vision for your school. Sunil Batra (2011) reflects that in India, "schools rarely visualise or articulate their own vision". This view is probably based on the fact that in the past, schools have been controlled by the District Education Office. A ...

Overview of Vision and the Visioning Process A Story from the Middle Ages Three stone masons in the Middle Ages were hard at work when a visitor came along and asked them what they were doing. The first stone mason was hard at work, sweat beading his brow. "I am cutting this stone," he grumbled. The second stone mason, though less distraught, responded with a deep sigh, "I am building a ...

Overview of Vision and the Visioning Process

YA shared vision is a vision to which people are committed because it reflects their personal vision. Shared vision, continued - 2 YOrganizations intent on building shared visions continually encourage members to develop their own personal visions. If people don't have their own vision, all they do is "sign up" for someone else's. The result is compliance, never commitment. On the ...

A Shared Vision - Andrews University

How to Create a Shared Vision Statement A vision statement is an aspirational description of what an organisation or team would like to achieve or accomplish in the future. It is intended to serve as a clear guide for choosing current and future courses of action. It is usually written in the present tense although it describes the future. Having a clear vision can give a team direction and ...
