Career Equity For Youth Making It Happen

This Career Education Standard (3-18) is one of a suite of three documents, along with Work Placements Standard and Guidance on School/Employer Partnerships, and should be seen as clarifying expectations and providing helpful support and guidance.

Career Education Standard - Education Scotland Home

Another category of private equity investing that is growing fast is the so-called "secondary", when a fund buys a portfolio of private equity assets or pre-existing investor commitments to private equity.

Vault Career Guide to Private Equity - Amazon S3

The American Youth Policy Forum (AYPF), a nonprofit, nonpartisan professional development organization based in Washington, DC, provides learning opportunities for policy leaders, practitioners, and researchers working on youth and education issues at the national, state, and local levels.

A Guide for State Leaders: Equity in Career and Technical

This is the first brief in the Making Good on the Promise series, which examines equity in CTE. The brief attempts to confront the negative aspects of CTE's legacy and define the key challenges learners face today. It draws on research and historical data to paint a picture of CTE's conflicted history and the opportunity it can provide.

Making Good on the Promise: Understanding the Equity

Developing the creative and innovative potential of young people through non-formal learning in ways that are relevant to employability Expert Group Report November 2013. May 14 2 Towards a Framework for Action There is a need to recognise and value non-formal learning in a creative and innovative way, raising the visibility of skills acquired outside the formal system and fostering ...

Developing the creative and innovative potential of young

seeks to re-engage youth in schools by encouraging career aspirations, exposing youth to various careers to develop transferable skills, and providing youth development services that ensure a successful transition to productive adulthood.
