The Cartoon History of the Universe is a book series about the history of the world. It is written and illustrated by American cartoonist, professor, and mathematician Larry Gonick, who started the project in 1978. Each book in the series explains a period of world history in a loosely chronological order. Though originally published as a comic book series, the series is now published in trade paperback volumes of several hundred pages each. The final volume covers history from the late 18th cen
