Code within the contribution they make to overall care. The professional commitment to work within one's competence is a key underpinning principle of the Code (see section 13) which, given the significance of its impact on public protection, should be upheld at all times. In addition, nurses, midwives and nursing associates are expected to work within the limits of their competence, which ...

Two rival spymasters know the secret identities of 25 agents. Their teammates know the agents only by their CODENAMES. In Codenames, two teams compete to see who can make contact with all of their agents first. Spymasters give one-word clues that can point to multiple words on the board. Their teammates try to guess words of the right color ...
